WEB DEVELOPER

Salt Lake City, UT

GitHub: [TylerOlsen14](#) | LinkedIn: [TylerOlsen14](#)

A curious and hard-working Developer who is driven towards success and is eager to be challenged. Created web apps focused on aggregating data and storing dynamic information, with experience in crafting front-end web pages. What I lack in industry experience I make up for with my search for knowledge and drive to succeed.

RELEVANT SKILLS:

JavaScript	Vue	Visual Studio Code
Node.JS	MongoDB	Agile
GitHub	Bootstrap	HTML / CSS

EDUCATION:

Full-Stack Web Development Boot Camp, Helio Training	Jan – Apr 2019
